That was all. There was no speechmaking. The soldier sleeping in lonely grandeur there representative of the navy's debt as well as the army's. But he is more than that. Many merchants are entering enthusiastically into the special campaign for business that is to be put on during the next two months. Those directly in charge of the project believe that business will be stimulated in a very definite way.

One thing is certain, the merchants of Jacksonville are working

together for general business and in community enterprises with a unanimity of spirit that has not always existed. It is a fine thing for the city to have the business men co-operating in this way.

The state agricultural association and other farm associations have endorsed the proposed new constitution. The Prairie Farmer in each issue presents arguments in favor of the constitution and maintains that one of the best points is that the constitution will mean a better legislature. This claim is based upon the fact that the proposed constitution does away with minority representation and lessens the dominance of Chicago in state legislative affairs.

In some cities business men are organizing to make demand upon the railroads for the restoration of trains annulled because of the coal shortage or the shippers' strike several months ago. There are indications that this will not be necessary in this part of the state, as railroad managers have already declared their intention of restoring normal train service at an early date.

With the business of the railroads constantly increasing, it is only reasonable to expect an early restoration of the old time service.

J. Chester Colton, if elected county superintendent of schools in November, will begin the duties of the office after successful experience in teaching work. Mr. Colton has been a Morgan county school teacher for a number of years. Those familiar with his work know that he did not take up teaching merely as a means of livelihood. He has a genuine interest in educational affairs. He can be depended upon if given a majority vote to endeavor to make the school system of the county approach desirable ideals.

The general facts presented from time to time with reference to the tuberculosis sanatorium give ample proof that the institution is doing splendid work, and that the need for the service it can render is actual. In view of this condition it seems only a reasonable thing that the voters should favor the levying of a small tax to raise the fund of \$17,000 necessary for the proper maintenance of the institution.

Harmony Lodge No. 3 will hold a special meeting this evening at seven o'clock. WORK. Visiting Brethren welcome.

BERTON BRALEY'S DAILY POEM

The Arid Ocean

By Berton Braley

(If Mr. Daugherty's Ruling Holds.)

ONCE on a time the sea was wet,
As wet as wet could be,
But nowadays you cannot get
A single drink at sea.
Closed is the bar that once with rye
Was stocked so plentifully,
For now the sea has been made dry
By Mr. Daugherty.

TIME was the toper found relief,
When three miles out, but now
The heavy lines of hopeless grief
Are graven on his brow.
The three mile limit's vanished quite,
And so in vain we sigh,
For there is no relief in sight,
Since all the seas are dry.

GAZE about me, west and east,
And also north and south,
But there's no chance, no not the least,
Of lessening the drought.
And so I mumble in despair,
As 'round the sea I blink,
"Here's water, water everywhere,
But nothing else to drink!"

DR. HALL MADE ADDRESS ON THE SOCIAL PROBLEM

Prominent Worker Advocated Education as Way to Solution—School for Deaf Football Squad at Rotary Luncheon—Col. Smith Presented Facts About Rotarians

Rotarians had a full program at their Friday luncheon at the Pacific hotel, with a very large attendance of members. The principal address was given by Dr. Winfield Scott Hall, member of the board of temperance and moral welfare of the Presbyterian church.

Dr. Hall was for twenty-two years with the medical department of Northwestern university and is the author of a number of books on social hygiene and kindred subjects. Members of the School for the Deaf football squad were present at the luncheon of Col. O. C. Smith, together with Robey Burns, the coach.

Miss Grace Hasenstab, social service worker at the school, interpreted as the members of the team were introduced. Later Col. Smith made a statement on behalf of the American Legion with reference to the bonus bill to be voted upon at the coming election. Miss Hasenstab again interpreted and in the same way gave the boys the opportunity of knowing the informing facts that Dr. Hall presented.

There is a great deal of interest in athletics now at the school and the football team has started the season in fine form. The boys introduced to Rotarians were Ralph Miller, Carbondale; Ambrose Taylor, Galesburg; W. Rose, Normal; L. Dillard, Cobden; H. Jones, DeSoto; L. Marsonbroff, Chicago; G. Montegard, Danville; W. Mannen, Mt. Vernon; C. Sellers, Nebo; E. Carlson, Geneva; W. Johnson, Bloomington; C. Crabbe, Macomb; B. Crost, Evans-ton; A. Woltz, Joliet.

The Social Problem
Dr. Hall is devoting the greater part of his time to addressing young people. Rotary clubs and similar organizations with reference to social hygiene. He spoke to students of Illinois college, the Woman's college, high school and the School for the Deaf yesterday.

terday. His theme before the Rotary club was "The Solution of the Social Problem." He summed up a very forceful presentation of this subject with the statement that the solution is to be found through education by means of a more frank handling of the subject. In fifteen or twenty minutes' time Dr. Hall made it clear that he has a real message and his suggestions made a deep impression upon his Rotarian audience.

Col. Smith talking of the bonus bill explained that it must receive a majority of all votes cast at the election Nov. 7 if it becomes a law. The purpose is to pay to ex-service men the difference in money between the pay given soldiers and that which they would have earned had they remained in their positions.

Pension System Bad
He said that one of the purposes was to avoid some of the evils of the pension system. Figures were given to show what other states have done for ex-service men and still other facts emphasized the unfairness of one set of men fighting the battles of the country while the others stayed at home and made money.

Among guests of the day were G. W. Whitaker of Northtown, Ill.; Roland Travis, Peoria; B. L. Barber, Springfield; Hugh P. Green and Nelson McMurphy, Jacksonville.

Dr. G. H. Kopperl, serving as secretary for the day, was instructed to write Mrs. H. M. Hopkins an acknowledgment of a gift of fishing tackle for use of boys at the Club Cottage. The equipment, unusually complete, was the property of the late H. M. Hopkins.

WHITE HALL TO HAVE HALLOWE'EN BANQUET

Eastern Star Preparing for Big Event Next Tuesday Evening—Rev. T. N. Marsh is Visitor—Other White Hall News.

White Hall, Ill., Oct. 27.—Rev. Thomas N. Marsh is here from Alton this week on a social mission. He says he has given up all regular pastoral work, but calls from various congregations of rural churches keep him pretty busy. He is in good health at the age of eighty years, his wife being 83. He was born July 1st, 1842, and took up the ministry in 1867, having rounded out fifty-five years of ministerial endeavor last April, his work being confined to twenty-three Illinois counties. He says he is not tired so much as he is retired, and has been a very lively corpse since it was broadcasted a year ago that he was dead. He says he has picked out some fine obituary notices as a result of that story becoming circulated, and when he dies it will only be necessary to insert the date. The story was sent out from White Hall at the time, but Rev. Marsh declares that circumstances at the time justified its getting circulated. He says he never seen such an elegant floral design as came to him from White Hall as the instance of the people of the Patterson neighborhood.

News Notes
A Halloween banquet is being arranged by the Eastern Star chapter for next Tuesday evening, to which the chapters of Winchester, Roodhouse and Carrollton are invited. Dinner will be served at 6 o'clock in the banquet room of the Presbyterian church, and at 8 o'clock will be presented the Eastern Star burlesque "How the Husband Got Even," in which there are fourteen speaking parts, the leading roles being taken by Dr. A. C. Rich, Russell Knox, Miss Kate Ellis and Mrs. Eloise Griswold. It is calculated that there will be 180 visiting members, and the gathering will be too large for the Masonic quarters.

The Music Club was entertained by Miss Helen Worcester, Tuesday afternoon in the Worcester home on West Bridgeport street, and there were twenty present. Chorus rehearsal was conducted by Mrs. Ruby Brown, and it was decided to participate in the next meeting of the Woman's club. Musical numbers, pertaining to autumn were given by Mrs. Edward Roodhouse, Miss Bird Duncan, Mrs. Eloise Griswold, Miss Effie Nicholson, Mrs. Mayme Stetson, Mrs. Harry Winn and Mrs. Francis Piper. The next meeting will be with Mrs. Stetson on November 28th with a program of Christmas music.

The remains of the little daughter of Lennie Bell were taken to Richwoods today for interment. The child was five years of age, and death came quite suddenly at 8 o'clock Tuesday evening in the home on Centennial street as the result of croup and tonsillitis, being ill three days. The family lost their other child last summer, and this leaves them childless. The family came to White Hall from the Richwoods neighborhood about a month ago.

Instant Quaker Oats

Cooks to perfection in
3 to 5 minutes

Now there are two great reasons for getting Quaker Oats. One is exquisite flavor. This brand is flaked from queen grains only—just the rich, plump, flaky oats.

Now there's another style. It is Instant Quaker Oats—the quickest-cooking oats in the world. It cooks in 3 to 5 minutes, so it means an oat dish almost ready.

Same quality, same flavor. But in Instant Quaker the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And those small thin flakes cook quickly.

Your grocer has both styles. If you want Instant look for "Instant" on the label. Then you can have delicious oats ready in 5 minutes.

Help at This Period

Metropolis, Illinois.—"I have taken Lydia E. Pinkham's Vegetable Compound and it is all it claims to be and has benefited me wonderfully. I had been sick for eight months with a trouble which confined me to my bed and was only able to be up part of the time, when I was advised by a friend, Mrs. Smith, to try Lydia E. Pinkham's Vegetable Compound and Liver Pills. I was so much benefited by the use of these medicines that I was able to be up and about in two weeks. I was at the Change of Life when I began taking the medicines and I passed over that time without any trouble. Now I am hale and hearty, do all my housework, washing, ironing, scrubbing, and cooking, all there is to do about a house, and can walk two or three miles without getting too tired. I know of several of my neighbors who have been helped by your medicines."—Mrs. EMMA CULVER, 705 E. 7th St., Metropolis, Illinois.

Death came without warning in an instant caused by a rupture of the heart. While he had been in failing health from the heart trouble and the family could expect his death at any time, a great shock to the loved ones. He had said that he expected his life to end in this way.

When the nation called William offered himself and enlisted at Louisville, Mo., in Co. He was a teacher of a Sunday school class at the Belden Avenue Baptist church and was a prominent social worker on the north side.

Upon his return from the army he was married to Miss Mabel Oxley of White Hall, Ill., on July 23, 1919. To this union was born one son, Darrell Raymond.

Skin Ablaze with Eczema

Constant Itching Almost
Unbearable!

We know there is one thing that stops eczema, and that is more red-blood-cells! S. S. S. builds them by the millions! You can increase your red-blood cells to the point where it is practically impossible for eczema to

exist. We know that as blood-cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it! Skin eruptions, eczema with all its fiery, skin-burning, itching, stinging, and unbearable itching, pimples, blackheads and boils, they all pack up and go, when the tide of blood-cells begins to roll in! Blood-cells are the fighting-plants of nature! It has been doing it since 1850! S. S. S. is one of the greatest blood-cell builders, blood-purifiers and body-builders known to us mortals! When you put these facts together, then to continue to have eczema and skin eruptions looks more like a sin than a disease. Mrs. Arthur X. Smith, Pearl St., Newark, Ohio, writes: "My little girl had a very bad case of eczema. She began taking S. S. S. and in a few days, I thank you very much, I tell my friends what a good medicine it is. I cannot tell too much about it, for I love it so."

Here is your opportunity. S. S. S. contains only vegetable medicinal ingredients. Because S. S. S. does build red-blood-cells, it cures rheumatism, builds firm flesh, fills out hollow cheeks, beautifies the complexion, builds you up when you are run-down. S. S. S. is sold at all drug stores, in two sizes. The larger size bottle is the more economical.

HEALTH BRINGS BEAUTY

All Women Can Look Well If in Health.

Champaign, Ill.—“Ever since I developed into womanhood I have been troubled with functional disturbances and fainting spells. I was under a physician's care, but no medicine I took seemed to do me any good. A friend, who had gone through the same experience as myself and had found such help by taking Dr. Pierce's Favorite Prescription, urged me to try it. I tried it and to my great delight the Prescription brought about a wonderful change, every organ functioning correctly. I can speak in the highest praise of Dr. Pierce's Favorite Prescription.”—Mrs. S. W. Knott, 1212 N. Market St.

CLUBMAN HAS WITHDRAWN SUIT

ST. LOUIS, Mo., Oct. 27.—Herma Henry Laumeier, wealthy St. Louis real estate dealer and club man today withdrew his motion, filed in circuit court October 18, asking a judgment of the paternity of a boy of his divorced wife and filed a motion to reopen the divorce suit which his former wife won in June, 1919.

Lawyers explained the purpose of the new proceeding was the same as that of the old, and that the change was made merely to avoid possible legal technicalities involving jurisdiction, as Mrs. Laumeier has instituted proceedings in New York to compel Mr. Laumeier to support the child.

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit 15c and 30c.

"Gold! Gold!"

Back in the '40's it took months for the thrilling news of California's gold strike to cross the continent. Today, a few hours after so important a discovery, the entire story would be known to newspaper readers throughout the country.

In the early days, news spread by word of mouth. Today the telegraph and telephone speed the message into the newspaper office, it is rushed into type, the paper is printed and shortly the news becomes public property.

There are two kinds of news in the paper. One consists of the affairs of other people; their sayings, doings and what they're going to do; things that have happened, may happen and didn't happen.

The other kind of news is about your affairs. That's the part you'll find in the advertisements. There's a lot of valuable news there about things you want or will want; things that have to do with your own personal comfort, convenience and every-day efficiency.

Every advertisement carries a personal message to some one. Many advertisements carry messages of vital interest or value to you.

That's why you can't afford to miss the advertisements.

Read them. The advertisements are decidedly valuable to you.

Games and contests made up the evening's program of fun and dainty refreshments were served. Among out of town guests present were Miss Lillian Kumble and Wilbur Kumble, of Alexander; W. E. Coates, Adam Todd and Hall Ferguson of Lynnvile.

SETS WORLD'S RECORD

At the Breeder's meeting held at the Illinois State Fair Grounds on Friday afternoon, Clark L. Green set the world's record for a four year old stallion both trotting and pacing in one afternoon with his bay stallion Trelson, sired by Tregantle 2:09 1-4, dam Dottie Dimple 2:21 1-4 by Red Bell 2:11 1-4. In his record mile trotting of 2:24 1-2, he trotted the last half in 1:07 1-4 and in his record mile pacing of 2:18 3-4, he paced the last half in 1:06 3-4, last quarter in 32 seconds. This makes him the champion 4-year old double gaited stallion in the state of Illinois this year by taking both records in the same afternoon. If weather conditions are favorable Mr. Green will attempt to lower both of these records over the same track next Friday afternoon.

NEWS OF THE SPORT WORLD

Coach Stagg Is Banking on Pyott for Today's Game

JIMMY PYOTT

Coach Stagg of the University of Chicago has great faith in his back field. If the Chicago line holds, and Stagg is confident that it will, he feels sure his back field stars will pile up enough points to make a Maroon victory certain.

Jimmy Pyott is one of the back field candidates who has been playing a fine game this year. Pyott is one of the best punters in the Chicago line and spends much time daily keeping his educated toe in shape for a grueling battle with the Princeton Tiger.

Pyott can do other things besides punt and is considered by Stagg as one of the most valuable players in the Chicago lineup.

"Pimples broke out on my face and neck. They were hard, large and red, and itched and burned causing me to scratch and irritate the affected parts. Chicago Rooters Look to Coach and Captain

COACH STAGG; CAPTAIN LEWIS

Chicago looks to Coach Stagg and Captain Lewis to supply the strategy that will give Chicago another victory over Princeton. Stagg, one of the oldest and most resourceful coaches in the country, regards his Chicago team of this year the equal of the 1921 eleven.

Chicago beat Princeton last year, 9 to 0. The inference is Stagg looks for another victory. The fact that Princeton appears weaker than last season strengthens the belief that Stagg will deliver.

Illinois Will Fight Hard to Win Today

DETROIT, Mich., Oct. 27.—"Illinois will be in their fighting every minute," Coach Zupke of the Illinois football squad declared tonight following the final workout for the contest at Ann Arbor tomorrow with Michigan's grid-ders. This was his only comment on the forthcoming struggle. To make predictions when a team coached by Field H. Yost, the Wolverine mentor, is concerned, Zupke said would be only a waste of time.

The Illinois squad reached Detroit early today and put in most of the afternoon at Mack Park in signal and booting drills. Tonight there was a skill session.

The squad will leave here for Ann Arbor tomorrow forenoon, reaching Ferry Field only a short time before play is scheduled to begin.

George Dawson will pilot the Illinois, Rube Clark being out. Richards will replace Rokusek at right end. Illinois plans an aerial attack to beat Michigan.

Michigan Will Be Crippled.
Ann Arbor, Mich., Oct. 27.—Injuries and sickness it appeared tonight would seriously handicap Michigan's football squad when it takes the field against Illinois tomorrow.

TWO LOCAL TEAMS IN ACTION TODAY

Jacksonville High Plays Waverly On Illinois Field—State School For the Deaf Plays Roodhouse at that Place.

Only two of Jacksonville's football teams will be in action today. Coach Mitchell's high school team plays Waverly high on Illinois field. The State School for the Deaf team plays Roodhouse high at Roodhouse.

Jacksonville defeated Waverly in easy fashion last year but from indications it will not be so easy this year. Waverly has in the person of Jackson, former Lombard star a coach of class and he has his team up and going this year. Recently Waverly defeated White Hall by kicking a field goal.

Coach Mitchell's squad lost to Alton at Alton last Saturday and probably will not go into the game today overconfident. That was the trouble with the team at Alton and it resulted in a defeat. The locals should be scrapping from the first to the last whistle this afternoon.

The State School for the Deaf will have a severe test at Roodhouse. This school has a veteran team and one of the strongest in this section. It has rolled up large scores against opponents this season while keeping its own goal line uncrossed.

However, these scores may have caused the Roodhouse team to get over-confident for the game today. Coach Burns' team is full of fight and no high school team can take liberties with it. The men are in good condition and show improvement with each game. Whichever way the game goes it will be a hard fought battle.

Coach Harmon's Illinois squad has an open date today and probably a majority of the men will see the Waverly-Jacksonville scrap. Some of them are booked to officiate at games in nearby places. Coach Coonan's Rount team also is without a game for today.

ALL READY FOR FOOTBALL CLASSIC

Princeton and Chicago Meet In Intersectional Contest In Chicago Today.

Chicago, Oct. 27.—(By The A. P.)—With the final rehearsals over, the stage was set tonight for the biggest football classic in Chicago's history tomorrow when Princeton meets Chicago in an intersectional contest that is attracting the attention of the gridiron world.

The 32,000 football fans fortunate enough to obtain tickets for the game were eagerly awaiting the referee's whistle that will start the hostilities, while thousands of less fortunate Chicagoans were making frantic last minute efforts to obtain tickets and were offering any price up to \$100 for a seat costing \$3.

Demand for tickets to the game reached unprecedented proportions. Although every seat in Stag Field was sold ten days ago, thousands of disappointed applicants far tickets deluged the offices with requests.

Bank presidents, brokers, society leaders and captains of industry sent messengers out with instructions to buy seats at any cost.

Several arrests of scalpers were made.

The invading Tigers swung into action behind locked gates on Stag Field for a final light signal drill shortly after their arrival. When the squad reached the field the gates were locked and no outsiders were allowed to witness the workout. After the Tigers finished the Maroons, under the direction of Coach Stagg went thru their final drill.

The Maroons also worked out behind locked gates. Numerous new plays which the Maroons have been developing for Princeton were rehearsed and the general belief prevails that a surprise will be sprung tomorrow by Stagg whose team scored a 9 to 0 triumph over Princeton last year.

The Tigers after their workout were full of confidence but not overconfident. They feel the team is better equipped to meet the Maroons than last year's team and they said they would not be surprised as they were last fall.

Coaches Express Themselves
"We realize that we have a hard game, but we are out to win despite all opposition," said Coach "Bill" Roger of the Tigers.

"The workout this afternoon was just what the boys need after their long trip. What they need most now is rest. They will be in good condition for the contest tomorrow. We believe we have an even chance for victory and that we have a stronger team than the one that faced Chicago last year."

Coach Stagg declined to predict a Chicago victory saying:
"The game should result in a hard clean contest. May the better team win."

While interest will center in the Chicago-Princeton game, big ten followers also have their eyes trained on Ann Arbor where the powerful Michigan eleven will engage Illinois. Observers are expecting the contest to result in a close score with the odds favoring a Michigan triumph. In the other conference games Ohio State will clash with Minnesota at Minneapolis and Purdue will oppose at Iowa City. Indiana will meet the Michigan Aggies at Bloomington, while Northwestern and Wisconsin will be idle.

GOOD GAMES TODAY IN MISSOURI VALLEY

KANSAS CITY, Mo., Oct. 27.—Tomorrow's football menu in the Missouri Valley conference offers two choice dishes for followers of the gridiron sport. The first in the Nebraska-Oklahoma clash at Norman and the second is the Kansas-Kansas Aggies scrap at Manhattan.

The powerful Cornhuskers conceded the edge over Oklahoma but the Sooners are expected to fight every minute of the game. The Ku-Ksac game of the unofficial championship of Kansas will be closely contested according to all predictions.

Iowa State vs. Washington university at Ames is the only other conference game. Ames is slightly the favorite.

Missouri plays St. Louis university at St. Louis and Grinnell is matched with Coe College at Cedar Rapids, Iowa.

Drake has no game scheduled.

GREENLEAF OUTCLASSES ALLEN IN BIG MATCH

PHILADELPHIA, Oct. 27.—Ralph Greenleaf, of New York national pocket billiard champion outclassed Bennie Allen of Kansas City, Mo., tonight in their second block of the challenge match for the title. Play ended with the score standing Greenleaf, 310; Allen, 124. Greenleaf made 152 points tonight and Allen 34.

The high run was Greenleaf's 38, ten of which came from an unfinished run last night. The next high was the champion's 25 in the 35th inning.

New Haven, Oct. 27.—All records for attendance at a football game here are expected to be broken tomorrow when Yale and Army clash in their picturesque struggle in Yale bowl. At least 75,000 persons are expected to be present.

Tigers Expect Newby to Star Against Chicago Today

FULLBACK NEWBY

If Princeton is to get revenge for the defeat suffered at the hands of Chicago last season Fullback Newby of the Tigers must do much of the work.

Coach Bill Roper is strong for Newby, regards him as one of the best back field men in the east, and has built much of the Princeton offense around him.

Newby is adept at hurling the forward pass and will have to carry the Tiger burden in that respect. Last year Don Lourie hurled the Tiger passes, but Lourie graduated in June.

hundred enthusiasts and the band of 120 pieces left for Ann Arbor on a special train at midnight.

PURPLE COACH TO SCOUT ILLINOIS TEAM

Northwestern Mentor Will Take Notes at Illinois-Michigan Game at Ann Arbor—Meets Illinois Next Saturday.

URBANA, Ill., Oct. 27.—Glenn Thistlewaite of Evanston, Ill., will be an interested spectator at the Illinois-Michigan game in Ann Arbor Saturday afternoon.

Mr. Thistlewaite is by way of being a football coach and pretty good one, at that. His Northwestern eleven has no game tomorrow. It meets Illinois on Illinois field next week. The logical course, therefore, is for the purple coach to take a big lead pencil and a tablet of paper to Ann Arbor and make notes on the Zupke tactics. Which is just what the coach is going to do.

Northwestern, after its tie game with the strong Minnesota bunch, looks like a hard proposition for Illinois. The Purple will bring down a band and 1,000 rooters. There is a lively ticket sale at Illinois but it is announced that there will be plenty of ducts to go around as the seating capacity of Illinois field, 33,000, exhausted at home coming, will not be taxed next week.

Illinois rooters will hear the news from Michigan tomorrow by gathering on Illinois field. Three-

GOOD RECOVERY

MADE BY STOCKS

NEW YORK, Oct. 27.—Good
recovery was made by most stocks
in today's market but the aver-
ages were still well under the high
levels of the week. Most of to-
day's rise undoubtedly was due to
stock covering influenced by the
more effective resistance shown
at the lower levels and the appar-
ent half in forced liquidation as
revealed in the volume of offer-
ings. Trading on the whole was
lighter than usual.

Mexican Petroleum showed the
best recovery of the active stocks
regarding a net gain of 6 points.
Standard Oil of New Jersey con-
tinued under pressure yielding 31
points on a turnover of less than
10,000 shares.

Baldwin and Studebaker also
staged a fair comeback rising 13
and 22 points, respectively, heavy

The Domestic Round Table of Jacksonville Women's club will meet this afternoon at the Duncan Memorial home for the monthly meeting. The meeting will be of especial interest as Miss Mary Wadsworth is to make an address.

The meeting will be called to order by the president, Mrs. H. A. Perrin, and following the transacting of the regular business a program will be given. Mrs. H. C. Woltman will sing a group of songs and this will be followed by Miss Wadsworth's talk. Miss Wadsworth will speak this afternoon on the comparison of the women and children of France with the women and children of the United States and her experience at one of the important social centers in France makes Miss Wadsworth especially well qualified to discuss this subject.

Following the program there will be a social hour and the hostesses will serve refreshments in keeping with the Hallowe'en season. The hostesses for the day are Mrs. O. N. COMMITTEE FOR ARMISTICE DAY

A committee has been selected to have in charge an Armistice Day celebration for Jacksonville. The committee is composed of representatives of the D. A. R., the Service Star Legion, the American Legion, Rotary club, Kiwanis club, U. C. T., Automotive Dealers association, and the Chamber of Commerce. The personnel of the committee is as follows:

Dr. G. H. Kopperl, Mrs. J. F. Andrews, Sr.; Mrs. A. L. Adams, J. G. Berger, Mrs. Lillian I. Danksin, Stanley Wright, Mrs. Lee Alcott, Colonel O. C. Smith, B. F. Shafer, Reverend Thomas Smith, Mrs. R. Shoemaker, and John Rose.

The committee will meet the early part of the week to make arrangements for the staging of an Armistice Day celebration, and it is hoped that the affair will be as large if not larger than that of last year. The tentative plan at present is to follow much the same program as was carried out last year with a parade, the selling of coffee and doughnuts and a general celebration in the business district in the morning and a program at the high school in the afternoon.

MERCHANTS PLAN TRADE CAMPAIGN

Will Begin Early in November—Gifts Will be Distributed to Customers at the Beginning of the New Year.

A new campaign to draw trade to Jacksonville by means of gifts to be distributed to customers at the beginning of the new year will be begun early in November. Most of the leading business concerns of the city have already subscribed to the program, and it is expected that numbers of others yet to be seen will favor the plan.

A first class automobile, a piano, a graphophone, and hundreds of worth while gifts will be on the list. It is felt by local merchants that the gift of these items of merchandise will not increase their overhead and in consequence the price of their goods, but will, on the contrary, reduce their overhead by attracting more people to the city to trade.

It is felt that Jacksonville can hold the trade so attracted because her slightly lower than average overhead enables her to combine as complete stocks of goods as many metropolitan stores with the lowest prices consistent with the quality of the merchandise.

The display room, where all the gifts to be offered will be displayed, will be open to the public for inspection from Nov. 15 to Jan. 2. The quarters formerly occupied by Furry & Sons on the north side of the square has been leased for the purpose, and a woman will be in charge during the campaign to receive all visitors and answer inquiries.

All firms who are members of the Chamber of Commerce are eligible for participation. Names of these firms will appear on large window posters, on all advertising, and on trade coupons to be issued. The campaign for enrollment of firms closes Monday, Oct. 30. The committee in charge consists of Louis L. Horen, general chairman; L. F. Randall and A. R. Taylor, vice chairmen; Lloyd Reid, in charge of advertising; John W. Merrigan, Henry Frisch, C. E. Hudgin, Clarence Lukeman and Fletcher Hopper.

The merchants already enrolled are: Rabjohns & Reid, A. R. Taylor, Hopper & Sons, Shanken's, Smart Shoe Co., Mullenix & Hamilton, Walton & Co., Lukeman Clothing Co., Cloverleaf Press, Jacksonville Candy Co., Berger Motor Co., Breeden & Dorand, J. P. Claus Motor Co., Emporium, S. W. Babb, E. W. Brown Jr., Hutson Auto & Aero Co., J. Bart Johnson, Jacksonville Coal Co., Armstrong Drug Stores, People's Furniture Co., Brown Music Co., C. E. Hudgin, Louis L. Horen, J. W. Merrigan, L. F. Randall, E. A. Brennan, Frank Byrns, G. A. Seider, M. E. Gilbert, Graham Hardward Co., Bergschneider & Kumble, P. J. Shanahan, Russell & Thompson, Myers Bros., Andre & Andre, George T. Douglas, Herbert Smith Hardware Co., York Bros. Roach Printing Co., H. G. Smith Millinery, Widwayer Cash Market, C. J. Depe, A. Wehl, B. F. Lane, Walter Smith Federal Bakery, W. B. Rodgers, Dorwart's Market, Economy Food Center, Peter Bonansinga, Coover Drug Co.

It is estimated that when the complete lists are in a hundred merchants will be found co-operating in Jacksonville's big gift campaign.

RICHARD YATES WILL MAKE ADDRESS HERE

Illinois Ex-Governor and Congressman Coming for Republican Mass Meeting Next Thursday Night.

The Morgan County Republican Central Committee has been fortunate in arranging for the coming of Congressman Richard Yates to address a mass meeting in Jacksonville next Thursday evening, Nov. 2. The committee has been making an effort for several weeks to secure a prominent speaker but it was not until yesterday that definite assurance was given that Congressman Yates would be assigned to Jacksonville.

F. L. Gregory, secretary of the committee, received the message from Chairman Rosenfield stating that Mr. Yates could come to Jacksonville on the date mentioned for a night meeting. Congressman Yates has so many friends here in his old home community that a large audience is certain. After having been assigned to Jacksonville by the committee Mr. Yates sent the following telegram to a local friend, indicating the pleasure with which he anticipates a Jacksonville visit:

Chicago, Oct. 27. I am informed by the State Committee that I can speak for you Nov. 2. I am overjoyed to be able to speak at an old-fashioned rally in my native town. Please do not limit me, as I will need an hour for my talk.

RICHARD YATES.

WAS LONG TIME RESIDENT OF CITY

William Winchester Came to Jacksonville With His Parents Many Years Ago — Veteran Railroad Man Widely Known.

Brief mention was made in Friday's Journal of the death of William J. Winchester, which occurred early Friday morning. Mr. Winchester has been known in Jacksonville since early boyhood, and for the past fifteen years has been resident in the city as well as conductor on the C. & P. & St. L. between Jacksonville and Havana.

Born in County Down, Ireland, Mr. Winchester early came to this country, and his boyhood was spent in Jacksonville. Railroad work, which he began in his teens never took his far afield. For many years he lived in Peoria, acting as conductor on the C. & P. & St. L. main line to St. Louis. His unfailing courtesy made him many friends among the passengers who traveled by his route. Other lines on which he worked were the C. & A. and the old Jacksonville Southeastern.

He was a member of the Conductor's brotherhood No. 79 in Peoria. He was a member of the State Street Presbyterian church, the Odd Fellows, Knights of Pythias and D. K. E. Mr. Winchester is survived by his widow, formerly Miss Lynda Hamilton of Eureka, Ill., and two children, Mary and William, one son, Dean, having died in infancy. Funeral arrangements await the return of William from Milwaukee, his business headquarters.

ASKS QUESTION.

Editor Journal: I was interested in the ad. in yesterday's local papers favoring light wines and beers. My special interest is in the statement "no saloons." I am wondering then where the beverages would be sold. I really like to know because I am accustomed to think that any place where intoxicating liquors are publicly sold is a saloon. Can it be that they are expected to have them for sale everywhere, in grocery stores, drug stores and every other place without restriction?

Yours always for "no saloons."

Joseph R. Harker.

TO IMPROVE ILLINOIS RIVER CONDITIONS

Congressman Shaw Did Effective Work In Connection With River and Harbor Act.

Congressman Guy L. Shaw was in Chicago one day this week in answer to the following letter:

War Department
United States Engineer Office
1201-537 South Dearborn St.
Chicago, Illinois.

Oct. 17, 1922. RWP-K
Honorable Guy L. Shaw,
Representative in Congress,
Beardstown, Illinois.
My Dear Congressman:

The River and Harbor Act of September 22, 1922, contains in Section 12, the following items, providing for preliminary examinations and survey of certain localities in this District:

"Illinois River and Tributaries—From the lower end of Lake Dupue to a point opposite Goose Lake and

"Illinois River, Illinois—With a view to preparing plans and estimates of cost for the prevention and control of floods on said river and its tributaries, and to determining the extent to which the United States and local interests should cooperate in carrying out such plans."

I understand that you were identified with the insertion of these items in the River and Harbor Act referred to, and as a result are naturally advised as to the reasons leading up to their insertion.

Very sincerely yours,
(signed) Rufus W. Putnam,
Major, Corps of Engineers.

Just before Congress adjourned the provisions mentioned in the letter were made part of the regular River and Harbors bill. This should be satisfactory to you.

Congressman Shaw is getting somewhere with his efforts on behalf of the Illinois River.
